

WOODBIDGE
ST MARY
with Great Bealings

St Mary the Virgin, Woodbridge, are seeking a new Director of Music

The Church:

- In a beautiful riverside town, with a strong, well-resourced and 'catholic' musical tradition, and a congregation which appreciates music
- RSCM-affiliated choir rehearses weekly, Sung Eucharist and anthems weekly, and occasional Evensongs; would like to develop choral and organ scholarships for young people
- A beautiful space for music
- Benefice 'pop up' choir at festivals
- Two wonderful organs in the Benefice

What we'd like from a Director of Music:

- Share enthusiasm for church music, and help the choir and congregation enjoy their music
- Give guidance in singing well; aspire to a high standard
- Work enthusiastically on the ongoing task of recruitment
- Inspire, encourage and challenge people in their faith through music; contribute to building community through music with our local schools
- Work creatively as part of a team, with our Organist, Dr Sarah Dodds, and Parish Priest, to plan well ahead

The Church is willing to negotiate on time commitment to make it possible to fit the job around family/other work commitments.

Remuneration in line with RSCM rates.

We'd love to hear from you if this appeals.
